2014 WTAGC Golf Tournament

The West Texas Chapter of AGC will be hosting the 2014 WTAGC Golf Tournament benefitting the WTAGC Scholarship Fund. We invite all hackers and pros alike to join us on Friday April 25, 2014 at The Rawls Course to have some fun and help out the future of our construction industry.

Tournament Format

The tournament will be a four-man scramble with a shotgun start at 1:30 PM. Prizes will be awarded for longest drive, closest to the pin and the top three teams. Lunch will be served at 12:00 pm with awards to follow the round.

Tournament Beneficiary

All proceeds from the tournament will benefit the WTAGC Scholarship Fund. This fund provides scholarship money directly to students who are pursuing a degree in a construction related field living within the West Texas AGC region. This scholarship is a fundamental tool to help insure that the future of our industry continues to grow with bright and educated minds.
