

AGC Texas Building Branch 2016 Outstanding Construction Awards

Critical Information

Dates

- All Chapter entries must be received in the Central Texas AGC office by Friday, 17 February, 2017. Members of the West Texas AGC must submit their entry to West Texas AGC.
- Only projects that have been completed in the 2016 calendar year are eligible.

Disqualification Information

- An official “Word” entry form has been provided for use by each chapter for their entries. Assistance is available to customize the masthead for your chapter. An entry form must be included with each nominated project and all information that is on the entry form must be provided. The Word file must be used.
- A chapter may nominate only one project for each category. If more than one project is nominated, then all entries in that category from the local chapter will not be eligible.
- Projects that have been nominated that are not in the correct category will be disqualified.
- Please adhere to the page limits for the submittals:
10 page limits for projects that less than \$10 M and 20 pages for projects that are \$10 M or more
- Submittals must be in the following formats: Word or PowerPoint for the narrative, with Sub list in Excel.
- The list of subcontractors and suppliers for each project must be in an Excel format and must list whether the subcontractor/supplier is an AGC member.
- Three digital electronic photographs showing the project from three different angles should be submitted in one of three formats: jpg, gif or tiff and the each photo should be no larger than 2mb each in size. They should be horizontal (8 “tall by 10” wide for example).

Other Information

- West Texas AGC will consider safety practices as a criterion. Please identify your program used on the project separately.
- All entries must be submitted by the chapter to K. Paul by Friday, 17 February 2017. Entries submitted directly to the AGC Texas Building Branch or the Central Texas AGC will be returned to the contractor.
- Judges will be selected by the AGC Texas Building Branch and they are independent of the AGC TBB.
- Winning projects will be posted on the AGC Texas Building Branch website for publicity purposes.
