SAFETY TIPS - High Impact of Crashes

**CRASHES CAN
 WRECK YOUR
 BUSINESS**

Labor Day is just ahead. Take the time to remind your employees, **they matter to you and to others.**

Employees are more likely to be involved in a crash away from work than on the job, however, the employee, their family and your business all suffer when this occurs. *Today* - make time for a quick Safety Meeting on driving safe, wherever you are.

Crash Facts!

**Be Part of AGC National
Construction Safety
Week - September 14 -
18**

Join with AGC of America in planning to participate in this year's National Construction Safety Week, Sept. 14-18. We encourage member firms to get involved in and celebrate our shared commitment to safety with mass safety meetings, equipment demonstrations, job tours, appreciation barbecues and more. Click [here](#) to access and download tools and resources to plan your activities, including tips, best practices and all of the Safety Week branded materials you'll need to support your events and communication. For more information or to find out how you can get involved in the 2020 National Construction Safety Week, please contact AGC of America's Vice President of Public Affairs & Strategic Initiatives, Brian Turmail, at brian.turmail@agc.org or 703-459-0238.

Protect Your Workforce with Arcoro

In this time of uncertainty, there's nothing more important than helping your workforce stay safe and healthy. With Arcoro's new Mobile Health Screening Form, employees are asked a series of yes/no questions about their health when they clock in and out for work. If an employee is not feeling well, they will be advised on next steps. This new form is now available in the Arcoro Time & Attendance module.

AGC members can leverage Arcoro's full suite of HR software to hire skilled workers, train on jobsite safety, organize back-office processes and more.

Arcoro is powered by [ExakTime](#) and [BirdDogHR](#) technology.

AGC Members receive a 10% Discount. Find out about this membership benefit and others!

How to Utilize VR - Virtual Reality

Remote meetings are fast becoming a norm in construction due to COVID-19. But screen-shared virtual conferences can be inadequate for design reviews,

Virtual Reality for Remote Collaboration in a Time of Social Distancing

Date: September 15th

Time: 2:00pm EST

[REGISTER](#)

so some firms are looking to other collaborative tools to get their points across.

[Panelists on this webinar](#) will discuss how they utilize the power of virtual reality systems to perform BIM walkthroughs, make notes and annotations, and even generate RFIs.

New West Texas AGC APP

The WTAGC app designed for your IOS/Apple or Android phone is now ready for your upload and easy access. Find Safety/COVID Resources, OSHA forms, Weekly Newsletters and much more.

Associate Members can be searched by both the category of work and alphabetical listing.

Click the picture and download the app; put it to work for you today!

[Contact Us](#)

Your copy should address 3 key questions: Who am I writing for? (Audience)
Why should they care? (Benefit) What do I want them to do here? (Call-to-Action)

Create a great offer by adding words like "free" "personalized" "complimentary" or "customized." A sense of urgency often helps readers take an action, so think about inserting phrases like "for a limited time only" or "only 7 remaining!"
