West Texas AGC News & Resources

Safety Tips - Why It Is Important to You

Why is it so important to prevent accidents? Safety and accident prevention programs are designed to PROTECT YOU so that you may reach your personal goals. Every time you approach a project, every time you pick up a tool, every time you start a piece of equipment or machinery, have a strong questioning attitude and think SAFETY.

Participate in the next three Safety Weeks with specific focus topics listed below. Each paragraph provides links with resources for training, posters, and meetings.

[Safety Meeting Talk](#)

Safety Weeks Ahead - One | Two | Three

Join AGC for COVID-19 Vaccine Awareness Week in Construction | April 19-23

Please join AGC of America, and its partners on the [Construction Industry Safety Coalition](#), in planning to participate in the COVID-19 Vaccine Awareness Week in Construction, April 19-23. The goal of the campaign is to raise awareness of the safety, effectiveness, and benefits of COVID-19 vaccination among construction workers.

AGC encourages members to take time to share important information with their staff, trade contractors, subcontractors, and partners about the benefits of vaccination and encourage them to register to get the COVID-19 vaccine.

Click [HERE](#) to access resources to help you get started on planning your activities.

National Work Zone Awareness Week | April 26-30

National Work Zone Awareness Week (NWZAW) is an annual spring campaign held at the start of construction season encouraging safe driving through highway work zones. The key message is for drivers to use extra caution in work zones. [Learn more...](#)

Join AGC for Construction Safety Week | May 3-7

Please join with AGC of America in planning to participate in this year's [Construction Safety Week](#), May 3-7. The theme is

Holistic Safety: Be Present. Be Focused. Be Safe. Our commitment to staying safe and focused on the job is a point of pride and strength that runs across our entire industry. In order to ensure holistic safety, we must strive to create both a physically and mentally safe environment and make every aspect of our wellbeing part of our safety culture and programs. We must prioritize both physical and psychological safety in the workplace, and how together, they play an important role in our relationships with our team members and with our ability to bring our safest, most productive, best selves to work every day.

We encourage member firms to get involved in and celebrate our shared commitment to safety. Click [HERE](#) to access and download all of the tools and resources to get started on planning your activities, including tips, best practices and all of the Safety Week branded materials you'll need to support your events and communication. You can also access AGC's events and resources for safety week [HERE](#).

Let West Texas AGC know of your participation in the above Safety Week opportunities. If you have questions or need additional resources contact chughes@wtagc.org or call 325.676.7447.
