## PROJECT MANAGER DEVELOPMENT PROGRAM

### Online class begins October 5

Following up to our sold out classes held in 2020 and 2021, the [Austin AGC](#) has partnered again with the Austin office of [Procore](#) to host the NEW [AGC Project Manager Development Program \(PMDP\)](#). This training will be held online via Zoom video conferencing every Tuesday & Thursday beginning October 5 and ending November 4, 2021.

This 2nd edition of the PMDP is designed to specifically meet the needs of today's construction industry. The curriculum combines activities and shared experiences to provide the necessary skills and knowledge to increase the participant's ability to work successfully with others to ensure project success. This recently updated 40 hour training was developed by AGC member company project managers for aspiring and new construction project managers. **The curriculum is best suited for an early-career project manager or someone looking to move into this role.**

The revised PMDP curriculum takes participants through the management of the entire lifecycle of a construction project, and contains the following five units:

- Unit 1: Introduction to Project Management
- Unit 2: Initiating and Planning, Part 1
- Unit 3: Initiating and Planning, Part 2
- Unit 4: Executing
- Unit 5: Monitoring and Controlling, and Project Closeout

When: 8 am to noon CST, every Tuesday & Thursday beginning October 5, 2021 and ending November 4, 2021.

Where: This class will be hosted online by Procore via Zoom video conferencing.

Cost: \$1395 for AGC members or \$1795 for non-members. Fee includes 5 textbooks.
