West Texas AGC News & Resources

Safety Tip: Scaffold Safety

Basic guidelines are provided in today's safety Tool Box Talk for use of mobile scaffolds safely.

It is important to erect mobile scaffolds correctly and inspect scaffolds on a daily basis or prior to use.

AGC Releases Latest Version of its Construction Inflation Alert Report

AGC has posted the fifth edition of the Construction Inflation Alert, a document to help owners, officials, AGC chapters, and others understand what contractors are experiencing regarding materials costs, production lead times, and supply-chain bottlenecks. For more economic news and information on supply

chain disruption, be sure you are subscribed to AGC's Data DIGest. Data DIGest is free to AGC members and all chapter staff.

AGC Financial Webinar - Social Security Strategies with Andy Tyndall

Prices For Construction Materials Continue To Outstrip Bid Prices Over 12 Months, Despite Dip In September

The prices contractors pay for construction materials far outstripped the prices contractors charge in the 12 months ending in September, despite a recent decline in a few materials prices, while delivery problems intensified, according to an **analysis** by the Associated General Contractors of America of government data released October 14th.
