

BENEFITS OF MEMBERSHIP

Top Reasons to be a West Texas AGC Member

At West Texas AGC we firmly believe the value of membership is in the professional growth and reputation a company gains through association with the chapter members and programs. Actual ROI can be in savings and discounts. Some of the services listed are direct from the West Texas Chapter and others are from AGC of America. A brief description of several programs and discounts and how they will benefit you, your employees, and your bottom line follow.

Our top priority is information, and we aggressively work every day to bring you current and pertinent information that will help you in your business. This is through jobs to bid, webinars, local events, legislative action to consider, or savings for your company. As a business owner your time is valuable and by consolidating information and providing it to you in a simple format, we can save you time and money while assisting your company as it grows professionally and profitably.

Information is provided through the West Texas AGC newsletter, safety tips, website and social medium to keep you up to date with vital information on industry issues, trends, and events.

Your membership identifies you as a leader in the commercial construction profession throughout our region and the U.S. which enhances business marketing efforts. When customers or job seekers search for quality contractors, you can be found on the West Texas AGC website directory, our chapter printed directory and the AGC of America online directory.

Benefit from AGC of America's national leadership and extensive resources. AGC is the construction leader that understands the needs of this industry. Members can take advantage of new innovative programs such as EDGE Virtual learning and the Emerging Contractors Series.

The Plan Room Service is second to none; provided at no additional fee to WTAGC members with physical and internet plan room (IPR) services. General Contractors and Associate Subs and Suppliers have access to projects 24/7. Project coverage includes the West Texas Chapter 69 counties as well as larger parts of Texas, eastern New Mexico, and southern Oklahoma.

You have a strong advocate on the state and federal level with AGC and AGC-TBB leading the way in public policy always instrumental to better the commercial construction industry. Our State Legislative work on behalf of our members is through the AGC-TBB, Texas Building Branch.

Discount and dividend programs through our key partnerships offer valuable savings programs that will positively affect your bottom line. Check out the 30+ savings program from insurance, fleet, safety, office, travel and more.

Programs to hire, retain and build a stronger company include the Southwest Chapters 401(k) Program. This multi-employer retirement program is one of the best in the nation and can be custom designed to fit your company. The Association Group Health plan can save our members with large discounts while providing employee retention. CompGroup AGC provides a partnership with Texas Mutual for additional discounts.

Opportunity to get involved and recognized. Apply for the OCA, Safety Award programs or participate at the annual Scholarship Golf Tournament, Lunch-n-Learn sessions, training in your area, or host a Safety Stand Down for your company.

We look forward to your success as a member of West Texas AGC!
