WOMEN IN CONSTRUCTION

West Texas Chapter AGC | Associated General Contractors

Tuesday, May 9th | 5:00—7:00 PM

Winery at Willow Creek—Outdoor Venue

4353 S. Treadaway, Abilene, Texas 79602

A Women In Construction (WIC) Chapter with West Texas AGC can open doors and opportunities for women currently in the industry and those who may be interested in working in construction AND WIC can have a lot of fun events!

Just as WTAGC is for company owners, supervisors and workers, so is WIC. Please join us for this meet and greet whether you work for a General Contractor, Sub-contractor, Supplier, A & E firm or one of our support Professional Service companies. We are all part of the industry! Any questions, contact Cassie Hughes, West Texas AGC, 325.676.7447. Look forward to meeting you on the 9th!
