Your membership identifies you as a leader in the commercial construction profession throughout our region and the U.S. furthering your efforts to be known and giving you access to others searching for quality contractors via the West Texas AGC website and directory and the AGC of America directory.

Our top priority is information, and we aggressively work every day to bring you current and pertinent information that will help you in your business. This is through jobs to bid, webinars, local events, legislative action to consider, or savings for your company. As a business owner your time is valuable and by consolidating information and providing it to you in a simple format, we can save you time and money while assisting your company as it grows professionally and profitably. Key services include:

- AGC & Chapter Webinars and Training opportunities
- Advocates for important issues and Legislative representation at the Texas Capital and Washington DC
- Discount & Dividend Programs through key partnerships who understand the commercial construction industry
- Weekly Safety Notices, Newsletter and Current List of Projects Bidding
- Plan Room Service accessible 24/7 at no additional cost above membership dues
