

ATTENTION: West Texas AGC Members

NATIONAL AGC SAFETY AWARDS (NASA)

**Participation in the NASA Awards Program is for EVERY
West Texas AGC General Contractor Member
and Associate (Subcontractor) Member**

What it can mean for your company!

Recognition of a Company's safety record by a NASA award from AGC and Safety Excellence from AGC-TBB lets employees know they are valued, as well as provides excellent marketing tools to place in future bid proposals. The in-depth look into your Safety Program allows your Company to excel while also being recognized next to your peers and others across the State and Nation for your Safety excellence.

Divisions include

- Building
- Highway
- Federal and Heavy
- Municipal/Utilities
- Associate/Specialty

Transfer the information from your OSHA 300A form to the form provided. Include work hours, contact person/s and return the information to West Texas AGC Chapter. If you do not have your AGC Member ID, please contact our office for information or to assist you with filling out the necessary forms.

Let this award participation be part of *YOUR* Safety Program.
