

WEST TEXAS CHAPTER AGE

The West Texas Chapter's 69 county territory is identified in red and outlined in black. To serve and benefit our members, our coverage expands to the outlying counties in gray and seeks key projects in Eastern New Mexico and Southern Oklahoma.

A map of Texas showing its counties. The counties in the northernmost part of the state, forming the Panhandle, are highlighted in red. These counties are: Loving, Winkler, Ector, Midland, Glasscock, Sterling, Coke, Runnels, Coleman, Brown, Comanche, Mills, Hamilton, Reeves, Ward, Crane, Upton, Reagan, Irion, Tom Green, Concho, McCulloch, San Saba, Lampasas, Pecos, Schleicher, Menard, Mason, Llano, Burnet, Tarrant, Sutton, Kimble, Gillespie, and Borden. The rest of the state's counties are shown in light gray. The Gulf of Mexico is labeled in blue at the bottom right, and the word 'MEXICO' is written in large, light gray letters across the bottom left.

MEXICO

A map of the Gulf of Mexico. The coastline of Mexico is shown in the upper left, with the Gulf of Mexico labeled in large blue letters. A small inset map shows the location of Matagorda on the Texas coast.
